

CALL FOR PARTICIPATION

ISC2017

First of all, we would like to send our greetings and best wishes to you.

The Information Security Conference ISC is an annual conference and held in several different countries around the world since 1997, such as in Japan, Brazil, Spain, Norway, Singapore, UK, Italy, Australia, Germany, USA, etc. This year, ISC 2017 is hosted by Vietnamese German University (VGU, Vietnam) in cooperation with University of Tokyo (Japan) and Singapore Technology and Design (SUTD, Singapore) during 3 days (on 22nd, 23rd, 24th November 2017) in Ho Chi Minh City, Vietnam.

In addition, we are greatly honored to have two valued keynotes at ISC 2017, that is:

- Professor Adi Shamir is a co-author of RSA public key cryptosystem, from Weizmann Institute (Israel) and École Normale Supérieure University (France).
- Dr. Thai Duong is a security and cryptography expert at Google, USA.

More over, the conference also has a social dinner in which we can have more chance to grow the research network with other scientists and enjoy Vietnamese foods.

We would like to invite the scientists, researchers, students, and others interested in information security field to register for ISC 2017. It is really our great honor if we have your participation at ISC 2017. Beyond that, we would appreciate if you can invite your friends to come with you. Your participation will be a strong encouragement for us.

Thank you and we look forward to seeing you in ISC 2017.
